Dear Mr. Hovevar:

On October 10, 2003, the Cleveland Local Air Agency (CLAA) issued a Notice of Violation requesting that Morgan Electro Ceramics, Inc. (Morgan) submit permit to install (PTI) applications and a Title V permit application. CLAA is in receipt of a letter dated November 26, 2003, stating that a PTI application for the Finishing Equipment 6342 Vapor Degreaser and a completed Title V permit application will be submitted on or before January 5, 2003. Morgan is also expected to submit Title V Fee Emissions Reports for the years 1995 through 2002 to:

Ohio EPA DAPC
Permit Management Unit
Lazarus Government Center
P.O. Box 1049

The Fee Emissions Reports are also expected to be submitted by January 5, 2004. The 2003 Title V Fee Emissions Report is required to be submitted by April 15, 2003.

Failure to do so may result in referral to Ohio EPA and/or USEPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CLAA's ability to refer this matter to Ohio EPA and/or USEPA for further enforcement action. Questions concerning Title V fee report invoices should be sent to Elisa Thomas at (614) 644-3621.
